Prabhu Sir, Sachin Sir, Phemie Miss, Forum Miss and Mandar Sir are the best teachers for Biology and they took lots of efforts to ensure that our journey was as smooth as possible. The Sunday tests were all NEET level and always tested our

in-depth knowledge of NCERT. Regular DCT's were conducted for every chapter immediately after it was completed. We were made to solve MCQs subtopic wise and after every lecture which ensured that we revised the same at home. Doubt lectures were conducted after every chapter was done and even before every Sunday test which ensured that never had an unresolved queries. The teachers would provide lots of tricks, mnemonics, flow charts and example lists which made revision much easier. Every Sunday, a detailed timetable of the week would be sent, which helped us to plan better. The teachers were always supportive, understanding, approachable and friendly. Really couldn't have asked for anything better, I am extremely grateful to APT
